2. UP4SA – National Prayer Initiative

I am thankful to all of you who have already commenced with prayer & fasting.

It's not necessary to mention that South Africa is experiencing difficulties on many terrains. The main responsibility of Christians is to pray earnestly and faithfully to God. On the **1st of March** 2020 a nationwide prayer initiative is taking place. My request is that pastors and community leaders prayerfully consider volunteering and co-ordinating a prayer point in their local community. Every community leader that volunteers receives a resources and will be empowered to coordinate the prayer point.

Please read the information and be part of what I believe, is a God-inspired initiative:
