

WORD OF WELCOME

Allow me to take this opportunity to thank all of you for making time to attend this leadership.

Our main focus last year was on leadership succession. As you are aware, the objective was to ensure that we amend our church's constitution in such a way that we would effectively deal with the mischief of destructive caucuses and uncertainties on the part of the electoral college. I would like to thank you for your inputs. They contributed to the success of this project.

I promised that we will focus on leadership development framework this year. This will be the main focus of our meeting here today.

Your inputs in enriching this endeavor will be greatly appreciated.

We will however touch on other issues of importance such as the Wellness of our pastors and other matters.

It is my prayer that our engagement, here, today will be fruitful both ways.

Let me also hasten to thank our host, Past Rudi Briel and his staff for availing their facilities for this meeting.

Allow me to also add Roselene (my PA), Renata (our Liaison Officer) for their preparations for this event.

Finally I would also like to thank the General Treasurer for availing a budget to take care for the cost of this meeting.

You are all welcomed.
