Dear beloved in the name of Lord and Saviour Jesus Christ

**RE: RESUMPTION OF CHILDREN MINISTRY ACTIVITIES AND ELECTION OF REGIONAL MINISTRY STRUCTURES**

It has been more than 20 months since we were hit by the COVID 19 pandemic and the activities of Children Ministry were severely disrupted in our various structures and assemblies. In this regard, I direct that all Children Ministry activities be resumed with immediate effect in all the structures and assemblies under strict COVID 19 Protocols and Regulations. Albeit some assemblies have done well in ensuring that the spiritual needs of the children are taken care of at local Assembly level and carrying on with regional activities; there is a gap as there are places where these activities are still put in abeyance for no reason. I therefore, encourage and urge all of us to resume Children Ministry activities with immediate effect.

I take it that by now all Children Ministry Regional Committees have been elected and are in place. If not, kindly do so on or before the end of February 2022 in preparation for the **NCM Elective Conference on 19 March 2022**; not doing so it now becomes a matter of non-compliance with the CM Policy and the Constitution of the AFM of SA.

***Blessings for 2022 as you nurse the Children (Exodus 2:9).***

Yours in the Lord's Service on Behalf of National Children Ministry Forum
